**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The internet should be equally available to all customers. In this day & age, equal access to high-speed connectivity is essential for education, work, health care, and participation in the democratic process.

I prefer to remain with a non-monopoly provider, and for it to be treated fairly.

Thank you!
